First Day of Fall Sept 22nd

Welcome Fall My Favorite Time Of The Year

Hello to our Jersey Ridge residents and families. September will be my first month taking over Activities and I would like to let you know a little bit about myself. I would also like to let everyone know Jessie's last day as Activity Director is August 27th. She is entering into a new career as she finished up school to become a Psychical Therapist. We would like to thank her for all the years she has put in and all the great work she has done with our residents. They will truly miss her and I have a lot to live up to.

For those who don't know me my name is Dolores Keegan and I am looking forward to being your new Activity Director! I have been with Jersey Ridge Place for 7 years, will be 8 years in December. I started off working 3rd shift, then went to 1st shift. I was kitchen manager for 3 years than became Environmental Services Supervisor for 2 years. I continued work in nursing as a caregiver on the floor from time to time and filled in for activities when needed. And now here I am the new Activity Director! I love my job and love Jersey Ridge Place. I'm truly blessed to work for a company that allows me to grow.

The upcoming months are my favorite (Holidays) months. We will be doing some fall crafts, fall cooking/baking club on Wednesdays and plan a little road trip to look at the beautiful fall leaves that will be changing colors. I have been working on an activity cart to do some 1 on 1s with those who don't make it to large groups and prefer smaller group activities.

I'm looking forward to meeting all of you soon!
